Names, **your name.**, more names. Etanercept exerts beneficial effects on articular cartilage biomarkers of degradation and turnover in patients with ankylosing spondylitis. *Journal of Rheumatology*. 32(10):1911-7, October 2005.

name. **your name.**, more names. Results from an open-label extension study of etanercept in ankylosing spondylitis. *Arthritis & Rheumatism*. 51(2):302-4, April 2004.

name. **your name.** more names. Cytokines in the seronegative spondyloarthropathies and their modification by TNF blockade: a brief report and literature review. *Annals of the Rheumatic Diseases*. 62(12):1128-32, December 2003.

Name, **your name.**, More names. The use of topical tacrolimus (FK506) in cutaneous manifestations of autoimmune diseases. *Journal of Clinical Rheumatology*. 9(5):310-315, October 2003.

Name., **your name.**, More names. Treatment of systemic lupus erythematosus associated type B insulin resistance syndrome with cyclophosphamide and mycophenolate mofetil. *Arthritis and Rheumatism*, 48(4): 1067-1070, April 2003.

## Work Experience

### **Department of Medicine, University of California, San Francisco (UCSF) Clinical Research Coordinator**

2000 - 2003

As a clinical research coordinator, I assisted in the development and conduction of multiple clinical trials in rheumatoid arthritis, systemic lupus erythematosus, and ankylosing spondylitis. My roles included IRB submission, recruitment of patients, conduction of study visits, venipuncture, and database entry.

### **On Campus Housing, Rieber Residency Hall, UCLA Office Assistant/ Front Desk Supervisor**

1997 - 2000

I oversaw a staff of 20 students who provided assistance and information to residents. I performed administrative duties such as payroll, staff scheduling, payment of residency hall invoices, and student room assignments. In addition, I was responsible for handling any emergency situations that happened in the residency hall.

## Presentations/ Posters

Name., **your name**. Anti-TNF therapy with etanercept (Enbrel) does not affect serum TH-1 inflammatory cytokine profiles in patients with ankylosing spondylitis. Annual European Congress of Rheumatology "EULAR 2003", Lisbon, Portugal, 2003.

Name., **your name, name**. Etanercept suppresses serological markers of articular cartilage degradation/ turnover in patients with ankylosing spondylitis. Annual European Congress of Rheumatology "EULAR 2003", Lisbon, Portugal, 2003.

## Activities & Service/ UMMSM

### **UMMSM Academic Societies Program - Blackwell Society**

2006 - Present

A student-run community outreach effort of the School of Medicine. This program offers students and faculty the opportunity to practice their clinical skills while providing screening service and health education to underserved South Florida communities. Services include a free weekly clinic and 8 annual health fairs.

- *Assistant Director*

As assistant director, I conducted the clinical skills training for first and second year medical students, oversaw educational, social, and community service events for the society, and served as mentor for first, second, and third year medical students.

### **Obstetrics & Gynecology Interest Group**

- *Clinical Director*

2006 - Present

I coordinated all clinical opportunities for interest group members such as shadowing residents on the labor floor, observing gynecologic surgeries, and following physicians in their private offices.

### **Department of Community Service (DOCS)**

A student-run community outreach effort of the School of Medicine. This program offers students and faculty the opportunity to practice their clinical skills while providing screening service and health education to underserved South Florida communities. Services include a free weekly clinic and 8 annual health fairs.

- *Executive Training Director*

2005 - 2006

I coordinated a team of trainers and oversaw the training of all medical students who participated in DOCS events as well as coordinating the training of all medical students in venipuncture skills.

**Activities & Service Continued**

- *Site Director - Big Pine Florida Keys Health Fair* **2004 - 2005**  
I planned and oversaw all aspects of a health fair serving over 150 patients, including budget, physician recruitment, student assignments, and patient care.
- *Pediatric committee member - Florida Keys Health Fair* **2003 - 2004**  
I assisted in the recruitment and organization of referral physicians for the families that attended the health fair in order to assist families in finding a "healthcare home"
- *Health Fair Volunteer* **2003 - Present**  
I participated in the Tamiami, Little Haiti, Florida City, Florida Keys, and Pompano Beach health fairs run by DOCS.

**UMMSM Student Government**

- Class of 2007 Fundraiser* **2007**  
The class fundraiser is an event created, organized, and run each year by members of the Class of 2007 in order to raise funds for graduation.
- Fundraising committee member* **2005**  
I assisted in fundraising for the raffle associated with the event. In addition, I assisted with the general planning, organization, and conduction of the fundraiser show itself.
- Fall Ball Committee Chairperson* **2004**  
As chairperson, I oversaw the organization and budget, as well as led a committee in the planning and conduction, of the school's annual evening social event.
- Logistics committee member* **2004**  
I assisted in the planning, organization, and conduction of the class fundraiser.

**University of Miami Medical Women's Group (UMMW)**

**2003 – Present**

- *Member*  
UMMW is a student organization created to educate students about women's health issues across medical specialties.
